Supplement

Child Restraint Installation in Volkswagen Models LATCH System

Please read this important information before reading the rest of your supplement.

Always keep this supplement with your other Owner's Literature.

If you still have questions about LATCH or other features in your vehicle, please contact your authorized Volkswagen dealer or Volkswagen Customer Relations at 1-800-822-8987

Vehicle Equipment

This supplement describes all LATCH equipment intended to be offered at the time of printing.

Illustrations

Each illustration in this supplement shows a feature and / or equipment which your vehicle may or may not have, depending on the model. The illustrations are simply to show you how a feature looks and how it functions:

WARNINGS

WARNINGS

concern safety and are highlighted like this throughout this supplement.

Texts printed in bold type refer to possible damage to your vehicle, or to other important information.

Indication of directions

Whenever a direction is specified (for example: left, right, forward, backward, etc.), you should imagine yourself as sitting in the vehicle facing in the driving direction. If something is explained which is different from this position, it will be clearly identified.

Table of Content

Welcome	1
Tether strap	4
Lower Anchorages	5
Guide Fixtures for for Lower Anchorages	7
Tether Anchors	9
Installing a Child restraint using the LATCH system ...	12

WARNING

Please be sure to read and heed the important information and WARNINGS about child safety and the installation of child restraints in the Owner's Literature.

If you must use the vehicles safety belts to install a child restraint in your Volkswagen always refer to the Owner's Literature which comes with your vehicle and follow the instructions provided by the manufacturer of your child restraint.
